

Friends of Casco Bay Casco BAYKEEPER

November 4, 2024

W. Frank Bohlen
Bonnell Cove Foundation
1 Scott Lane
Mystic, CT 06355

Dear Mr. Bohlen,

Casco Bay is fortunate to have *Friends* like Bonnell Cove Foundation! We were delighted to receive your \$5,000 grant towards our Water Reporter Program for Boaters.

It takes a community to take care of Casco Bay. We appreciate your investment in our work and look forward to keeping you updated about our efforts. In between reading our *Casco Bay Bulletin* newsletters, our *Annual Report to the Community*, and our other updates, feel free to check out our website, www.cascobay.org, and our Facebook page for our latest goings-on.

Mr. Bohlen, thank you for Bonnell Cove Foundation's steadfast support. Please contact us any time with questions or comments about our work.

With appreciation,

Will Everitt
Executive Director

We are honored to receive this generous gift.

Note: Our office has moved. Our new address is Friends of Casco Bay, 75 West Commercial Street, Suite 301, Portland, ME 04101.

*Please keep this letter as your receipt for your tax-deductible gift.
No goods or services were provided in consideration of this donation.*

Account #2181

Mr. Frank Bohlen
Bonnell Cove Foundation
1 Scott Lane
Mystic, CT 06355

Hi Frank,

Your donation of \$5,000.00 to the Scholarships fund, made on 11/12/2024, means Call of the Sea can continue to fulfill its mission to inspire diverse students of all ages to unleash their potential through experiential environmental education under sail. Thank you for helping our students sail during 2024!

Donors like you enable us to fulfill our mission, and your continued generosity will allow us to do even more in 2024. Our **Day Camps** and **Youth Sailing** programs support students' education, and provide the opportunity for interactive learning with their fellow students. Our **Aloft Sail Training** program connects young people to their environment, enriches their personal growth and leadership skills, and helps them reach their potential. **Community Sails** contribute to the well-being of adults and families in our community and provide informal education about our local marine environment. Please join us for an upcoming sailing event and bring your friends!

We could not succeed without you!

With gratitude,

Carla Thorson
Executive Director
Call of the Sea

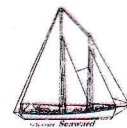

Thanks so much for all you do!

No goods or services were received by the donor for this contribution.

Mystic, CT 06355

Dear Mr. Bohlen,

Thank you for your generous gift to Barry University! Your support enables student success, academic excellence, and life-changing experiences. We appreciate you helping us fulfill our promise of a community where learning leads to knowledge, reflection to informed action, and a commitment to community service. Your commitment to higher education is admirable, and your labor of love is transforming lives and positively impacting the world.

This promise is lived out daily by 7,000 Barry students. Your contribution and partnership are crucial to our success. Thank you, and we have so much love and appreciation for your generosity.

Sincerely,

Smilka Melgoza

Vice President for University Advancement

Bonnell Cove Foundation
W. Frank Bohlen, Secretary
1 Scott Lane
Mystic, CT 06355

Dear Mr. Bohlen,

On behalf of Sea Meadow Marine, I am writing to express our sincere appreciation for the grant award of \$5000.00 from the Bonnell Cove Foundation. As you know, Sea Meadow Marine is a volunteer 501(c)(3) non-profit whose mission is to provide affordable access to, and protection of the working waterfront for those who make their living from the sea.

As stated in our application, these funds will be used to continue the development of the Collab partner support program as we move beyond the water access step to help new aquaculture farmers by providing equipment and programmatic support.

During the past year we made progress in other key areas. We are in the final due diligence stages of the Land for Maine's Future – Working Waterfront Access Protection Program; once completed the boatyard will be protected permanently as working waterfront. We recently completed repair of the wharf/bulkhead, which will serve our customers for years to come and we hope to install sewer and water utilities within the next year. Our student programs are also generating educational opportunities and innovative, sustainable solutions in support of the "Blue Economy" in our coastal communities.

We believe our project represents a platform to share our mission and become a model for other communities in jeopardy of losing similar spaces.

We are grateful for this grant from the Bonnell Cove Foundation.

Best regards,

Rebecca Rundquist JD MEM
Vice President

*Thank-you so much for your support.
If you are ever up this way we would
love to show you our parcel. I am
headed to New Haven today to try and talk
with some professors and visit Greenwave staff
as well.*
